President's Message

I am looking forward to serving as your president this year. Renate did a great job in 2017. She is a hard act to follow... she was so organized, but I will do my best.

I'd like to remind you that this is your club and when you have a suggestion please let me know and the board will discuss it for feasibility. Board meetings are open to all members.

Marcia

Be sure to pay your dues!

The speaker at the January meeting is Jeff Trimble

Jeff started growing orchids in 1972 when his mother gave him two flowering cymbidiums that she did not want. He joined his first orchid club in 1975. By 1978 Jeff was show chairman for the Peninsula Orchid Society, a member of the Santa Clara Valley Orchid society, and president of Malihini orchid society.

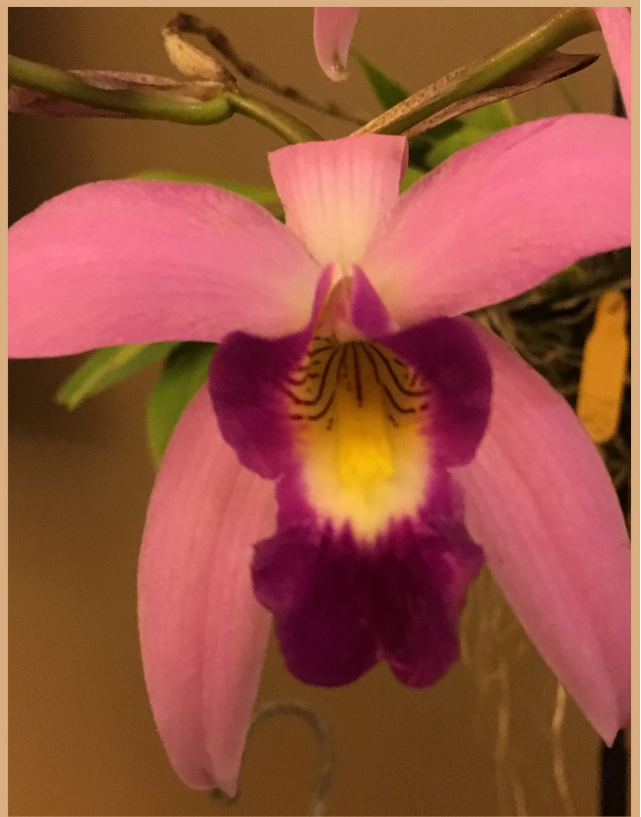

In 1980 he was asked to be the VP and then President of the San Francisco Orchid Society. Jeff took on the task of Show Chairman at the Pacific Orchid Exposition one year and later was a co-founder of Orchids in the Park.

He is currently president of the Peninsula Orchid Society, past president of the Cymbidium Society of America, a past president of the Gold Coast Cymbidium Growers, a CSA judge, and the judging chairman for Northern California for CSA.

Jeff grows Cymbidiums, Odontoglossums, Cattleya alliance, and many species in an unheated greenhouse in Pacifica
